*Fees and times subject to change. Visit mrcpa.org/events for current details.

Webinar Highlights

- Understand the latest legal issues surrounding marijuana in the workplace
- Address the conflict between expanding legalization and workplace safety
- Best practices for business owners, managers, and HR professionals
- Critical compliance considerations specific to manufacturers
- How to develop an effective, legally sound drug testing program

Who Should Attend

- Owners, managers, supervisors, human resources professionals, safety professionals and in-house lawyers

Presenters

Tae Phillips | Ogletree Deakins

Tae is a national subject-matter expert on workplace marijuana and drug testing issues. He is the shareholder-author of the firm's OD Comply: Marijuana subscription tool and materials and regularly assists clients across the country in handling the rapidly-evolving landscape of medical and recreational marijuana legalization laws and their impact on employers. In addition to providing practical advice and counsel, Tae has also handled high-profile litigation involving these difficult issues.

Wayne Pinkstone | Ogletree Deakins

An experienced OSHA and employment lawyer, litigator and advisor, Wayne partners with in-house counsel, safety professionals, HR executives, and company leadership to identify and solve a full range of workplace legal challenges, particularly those involving workplace safety and health issues.
